### **To the Friends of Regent's Park and Primrose Hill**

This is to let you know that as part of the Crown Estate Paving Commission's programme of regularly refreshing its make-up, we will be running a Commissioner recruitment round this year as two of our number have recently reached the end of their terms.

For all of us who live or work near Regent's Park, it is a pleasure and a privilege and it is easy to take for granted the amazing architecture; the pothole free roadways; the cleanliness of the streets; and the ornamental gardens. It does however take resources to maintain and manage the estate and, in addition to the financial ones, the CEPC is now seeking some of your time to oversee the organisation and its work.

We are looking for Commissioners who live or work in the areas that surround the park, have a passion for its heritage, as well as experience of sitting on boards or committees, strong interpersonal skills, critical thinking ability and political astuteness. In order to maintain an appropriate mix of skills on the Board, specific accounting, legal, digital, IT or HR expertise would also be welcome.

In addition, we will be seeking potential chairs for the future since there will be four chair vacancies arising in the next three years, including the Chair of the Commission itself.

Board meetings take place six times a year and are usually no more than two hours long; Commissioners are also expected to become a member of at least one Committee and these committees currently tend to meet four times a year.

I would be delighted to receive expressions of interest by the end of April and happy to answer any questions you might have.

Further information is also available on our website [www.cepc.org.uk](http://www.cepc.org.uk) or from the Director [linda.lennon@cepc.org.uk](mailto:linda.lennon@cepc.org.uk) or our Clerk [philip.baker@cepc.org.uk](mailto:philip.baker@cepc.org.uk)
